

CORNWALL BDS NEWSLETTER

JULY 2009

The season is moving on very fast with only a few more events left this year but looking back over the last month we have had our BDS Cornwall Show although slightly down on entries we feel yet another successful show. For this our thanks must go to several people, Roger Veronica and Bret Green, David and Dolly Scott and Richard and Pat Hamer all who helped to set up and organise the day, and of course to all of you who turned up to either drive or spectate. I have had quite a lot of feed back from members which will help us with next years show. Our judge Mrs Shirley Higgins and her husband were very impressed by the standard and hospitality and feel that Cornwall, has in her words, "Got it right" and would love to come back again.

Our drive at Colquite was supported by the brave as the weather was not good although it did stop raining for a short while.

The next event is the Trec which we have had a good entry for but there is always room for more details ring Di Hirst for details.

Our BBQ and drive at Treolwyn is as always open to all members whether you drive or not the drive will be 3 distances approx 3 ½ miles 5 ½ miles and 7 ½ miles. Please ring and book. The following weekend is Tregony Show with Tessa Young Jameson judging so perhaps we could support them as they are trying to pick up the driving again.

We are looking to do a weekend in October of Road Driving Assessments' and level 1 or 2, but please check with me that you are ready or if you need any help.

Last month I asked anyone with an email address so I can email the newsletter in future my email address is reolwyn2@tiscali.co.uk this month I am going to test it!!
